Thanks, John!

I just sent the invite with the call-in information. I can add a web conference link, too, if you think we will need one.

Valois,

We are good for the meeting next Thursday at 9:00 am and I think should be reasonably well prepared to try answer your questions.

Please let us know your dial-in instructions.

Thanks.

John

Valois,

Thanks for the list. Let me take a look as we may want to bring some assistance in on these questions. I would guess the meeting date would be May 3rd would work but I can give you a better idea after I have done a bit of review. I will let you know in a couple days if that will work.

Thanks.

John

Hi John,

Attached are the questions related to the Class V permit for our next call. Chuck doesn't work on Fridays, but we have 9:00 to 10:00 am Tuesday, May 1 and 9:00 to 10:00 am Thursday, May 3 open. If neither of those day/times work for you, I can look at our calendars the following week.
Thanks!
